MSI OPT-OUT

As an International student at NSCAD University, you are automatically enrolled in the NSCAD International Student Health Plan. Students who have active coverage through MSI may be eligible to opt out. To be eligible to opt out of the NSCAD International Student Health Plan you must submit this form to the NSCAD Health Plan Office. You must present this completed form and proof of your valid MSI card at your earliest convenience. Your refund will be for the remaining months in the calendar year based on the 1st day of the 1st month after we receive your completed application. Refunds will not be backdated. In addition, you will only be refunded for the full months in which your MSI card is active and in force.

Please note: By opting out of the NSCAD International Student Health Plan you will be billed for the Companion Plan. This plan provides 31 days of coverage outside the province of Nova Scotia as MSI is only effective within the province. If you are gone for more than 31 days, your MSI coverage will be terminated and you will not be able to re-enrol in the NSCAD International Health Plan. **Should you have plans to leave the province of Nova Scotia for educational requirements or personal interest for more than 31 days it may be in your best interest to stay enrolled on the NSCAD International Students Health Plan.**
